EXCLUSIONS FOR 2025

7. Funza Lushaka does not fund PGCE
8. The DBE collect data of unemployed teachers, therefore has data of subjects which are regarded as oversupply – therefore Funza Lushaka does not fund subjects in the unemployment database, these are History, Geography, Accounting, Economics, Business Studies and Physical Education
9. Funza Lushaka only fund South African Indigenous Languages (excluding English and Afrikaans due to oversupply in those subjects)
10. Funza Lushaka does not fund the subjects with low uptake in schools: Religious Studies, Music, Dance, Art
11. Combinations of Language and one content are discouraged as they disadvantage schools during timetabling (the teacher can only teach one subject).

PROGRAMMES TO BE FUNDED

12. Two types of qualifications can be funded as shown below. The qualification must include subjects which will allow the student to specialise as a teacher in **at least two priority subject areas.**

Priority Subject Areas – are subjects that are identified by provinces and the Departments of Basic Education as subjects where teachers are required in the sector for teaching purposes (see next section below).

Undergraduate studies

- ✓ 4-year **Bachelor Degree** in Early Childhood Care and Education (B. Ed. ECCE) for ECD Grade RR- R
- ✓ 4-year **Bachelor of Education degree** (B.Ed.), specialising in one of the following: Foundation Phase (Grade R – 3), Intermediate Phase (Grade 4 – 6) and Senior and Further Education and Training Teaching (Grade 7-12).

N.B. A 1-year **Postgraduate Certificate in Education** (PGCE) is offered at Higher Education Institution (HEIs) **but will not be funded** in 2025.

FOR GRADUATES FROM OTHER FACULTIES THAT INTEND TO STUDY TEACHING

The Department of Basic Education advice all graduates intending to study teachers through PGCE, **NOT** to register for PGCE for **Foundation and Intermediate Phases**. These phases of schooling require specialized training over full four years, not just one year as PGCE offer.

Students wishing to proceed with PGCE for Senior/FET Phases – should ensure that they **passed two teaching subjects in the degree** they qualified. The teaching subjects should preferably be two content subjects **NOT** one language and one content subject.
